HOW VISION TRAK WILL BENEFIT YOUR BUSINESS

The solution will...

Drive bottom-line savings with a minimum 10% savings on fuel usage

Increase operational efficiency by eliminating time wasted between customers, sales, operations and drivers

Reduce vehicle maintenance by ensuring your vehicles are driven more carefully

Facilitate regulatory compliance through temperature and driver monitoring for HACCP and OH&S

Maximise Tax Rebates through Private Road Tax and Fuel Tax Credit claims. Vision Trak works with Deloitte to help achieve these savings.
